Liquid Hop Project

Double IPA

ABV: 8.0

Our Liquid Hop Project IPA is all about exploring new brewing techniques by extracting the best part of the hop, eliminating waste & experimenting with its liquid state to create an innovative beer. This truly unique process allows us to explore new hop-forward beers & bring you this delightful creation made from Cascade, Citra & Mosaic hops with a taste that's out of this world!

Established in 2012, Lake Time Brewery was born from a vision to cherish the simple things in life – time with family and friends around a campfire, fishing, sunning on the beach, floating around the lake on a pontoon. A state of mind that has translated into great craft beer that can be enjoyed anytime, not just at Lake Time. Now with a devoted following of craft beer enthusiasts, Lake Time has expanded into a production facility and is distributing throughout Iowa. Lake Time Brewery has been featured in numerous industry publications including *Brewery Magazine*, *Brew Your Own* and *Perfect Pour*.
