Idiocracy

Electrolyte Infused Craft Cocktail

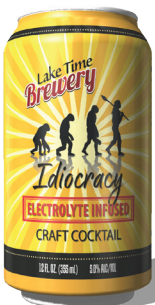

ABV: 5.0

Sometimes even when an idea seems incredibly moronic, we just have to try it anyway. That's how Idiocracy - an Electrolyte Infused Cocktail was born. We took Gatorade® and Electrolyte Powders, mixed them with some malts, left out the hops, and we awoke to a craft cocktail that makes us look like the smartest brewery alive. Try it. It's not as crazy as it sounds!

Established in 2012, Lake Time Brewery was born from a vision to cherish the simple things in life – time with family and friends around a campfire, fishing, sunning on the beach, floating around the lake on a pontoon. A state of mind that has translated into great craft beer that can be enjoyed anytime, not just at Lake Time. Now with a devoted following of craft beer enthusiasts, Lake Time has expanded into a production facility and is distributing throughout Iowa. Lake Time Brewery has been featured in numerous industry publications including *Brewery Magazine*, *Brew Your Own* and *Perfect Pour*.
