Clear Lake IPA

West Coast IPA

IBU: 40 ABV: 7.0

Water is as essential to an IPA as it is to boaters on a hot summer day – always around but often taken for granted. This West Coast Style IPA pays tribute to the unsung hero that water truly is. While it may not always spark the tastebuds quite like hops and malts do, we know you'd notice if the water wasn't just right. So here's to Clear Lake water & a really great IPA!

Established in 2012, Lake Time Brewery was born from a vision to cherish the simple things in life – time with family and friends around a campfire, fishing, sunning on the beach, floating around the lake on a pontoon. A state of mind that has translated into great craft beer that can be enjoyed anytime, not just at Lake Time. Now with a devoted following of craft beer enthusiasts, Lake Time has expanded into a production facility and is distributing throughout Iowa. Lake Time Brewery has been featured in numerous industry publications including *Brewery Magazine*, *Brew Your Own* and *Perfect Pour*.
