## Haze of our Lives

**NE IPA**

IBU: 28 ABV: 6.8

Like sands through the hourglass, this highly turbid IPA is bursting with aromas of passion fruit, grapefruit, papaya & citrus. A massive dry hopping is combined with an opaque look & cloying-sweet finish creating a truly hazy iPA. Hop complexities as deep as your favorite soap opera – a guilty pleasure for all.

Established in 2012, Lake Time Brewery was born from a vision to cherish the simple things in life – time with family and friends around a campfire, fishing, sunning on the beach, floating around the lake on a pontoon. A state of mind that has translated into great craft beer that can be enjoyed anytime, not just at Lake Time. Now with a devoted following of craft beer enthusiasts, Lake Time has expanded into a production facility and is distributing throughout Iowa. Lake Time Brewery has been featured in numerous industry publications including *Brewery Magazine*, *Brew Your Own* and *Perfect Pour*.
