LOST
DUTCHMAN

DUTCH ALE MADE WITH
REAL STROOPWAFELS

Lost Dutchman

Dutch Ale

IBU: 15 ABV: 6.3

For more than 120 years, the legend of the Lost Dutchman mine has haunted the minds and souls of treasure seekers throughout the world - about as much as finding a way to put a Stroopwafel into a beer has haunted us. That shared desire brought about this unique collaboration between Lake Time and Gezellig. Together we found the perfect pairing of wafer cookies and caramel goodness from the Stroopwafel with the rich malt flavor of a Dutch Ale. We hope you find it to be the treasure you've been looking for as well!

Established in 2012, Lake Time Brewery was born from a vision to cherish the simple things in life – time with family and friends around a campfire, fishing, sunning on the beach, floating around the lake on a pontoon. A state of mind that has translated into great craft beer that can be enjoyed anytime, not just at Lake Time. Now with a devoted following of craft beer enthusiasts, Lake Time has expanded into a production facility and is distributing throughout Iowa. Lake Time Brewery has been featured in numerous industry publications including *Brewery Magazine*, *Brew Your Own* and *Perfect Pour*.
